The ACDelco Advantage:

- ❖ ACDelco Fuel pumps helps deliver easier starts because of right pressure flow.
- ❖ Quiet operation.
- ❖ Reduced vehicle evaporative emissions.
- ❖ Sturdy design for long life and less damage opportunity.
- ❖ Total fuel usage for maximum driving range.

ACDelco Fuel Pumps have been tested against leading competitors, with impressive results.

ACDelco Fuel Pumps help deliver easier starts. Because the right pressure flow (with minimum pulsations) is delivered during engine starts-ups, and gas flows and more easily to the engine.
